

Product Information

Brett Chaucer is a modular wet pressed paving flag with a finely textured surface and straight edges.

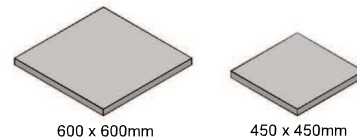

Available in two sizes and three colours, Brett Chaucer is ideal for domestic patio areas looking for a more contemporary feel. Chaucer can be laid narrow jointed to achieve a more defined finish.

Brett Chaucer comes as standard in single size packs and has a range of complimentary decorative edgings and aggregates for the domestic application.

Brett Chaucer pavements should be designed and constructed in accordance with the requirements of BS 7533.
